eSerie A TIM on eFootball PES 2021

Registrations to participate in the virtual football championship organized by Lega Serie A on eFootball PES 2021 are open

The first online phase of the eSerie A TIM | eFootball PES 2021 open to all the fans is about to start. Thousands of gamers will be able to challenge one another to the famous football videogame and try to be the Italian Champion.

It is necessary to subscribe [to this link](#) in order to be registered for the Online Qualifications.

A selected number of the 32 best qualified players will have the possibility to be chosen by the Serie A TIM Clubs that participate in the eFootball PES 2021 championship, and to face the following phases of the competition representing the teams.

All the matches will be played exclusively on PlayStation®4 (PS4™). The Tournament will begin **on Tuesday, November 24th**, with the online qualifiers, that will end on Tuesday, December 15th. In this phase, all the amateur players will compete to get a place in the **Draft**, programmed for **Wednesday, February 3rd**, when each registered Serie A TIM Club will choose one of the qualified players that will complete their Pro Players' Roster.

Once the Draft ends, the **Regular Season (March 30th/31st and April 6th/7th)** will start with one 5 teams Group and three four teams Groups that will compete to enter the **Playoffs (April 27th/28th)**, consisting in a double-elimination bracket: the best three teams of each Group will enter the Playoffs Winner Bracket with a privileged way to the Final, but in case of defeat they could challenge the other teams in the Last Chance Bracket in a series of exciting best of one matches.

The best eight teams will participate to the **Final Eight**.
