7th December 2021

# HAKAN CALHANOGLU EA SPORTS PLAYER OF THE MONTH FOR NOVEMBER

The award will be presented to the Inter midfielder in the pre-match of Inter vs Cagliari

The EA SPORTS Player Of The Month award for November has been assigned to Inter player Hakan Calhanoglu and his Player Of The Month card is available now in FIFA 22 Ultimate Team mode. The trophy and the Player Of The Month card will be presented during the pre-match of Inter vs Cagliari, scheduled for Sunday 12<sup>th</sup> December 2021 at 8.45pm at the "Giuseppe Meazza" Stadium in Milan.

The ranking was compiled according to the statistical data of Stats Perform (a system patented in 2010 with K-Sport), with the help of tracking data recorded by Netco Sports.

For the final calculation were considered the matchdays from 12th to 14th of Serie A TIM 2021/2022.

*"Hakan Calhanoglu has proved to be a top performer, especially in the winter months, repeating the success he had in December 2020 as the best player of the month," said Luigi De Siervo, Lega Serie A CEO. "Determination, versatility, precision in dictating the last pass, but above all the shot from outside the box have always been the trademark of the Turkish midfielder. In addition to this, we should highlight the calmness and personality with which he appeared on the penalty spot against AC Milan and Napoli, demonstrating that he has become a key player in the tactical system and in the hierarchy of the Inter team designed by Inzaghi."*
